Results **1 - 10** of about **17,200** for **sensing capturing thread movement audio video profile gesture interaction multimedia OR media.** (0.35 seconds)

1. Multilevel Scripting for Responsive **Multimedia**

identity or **profile**, or direct **interaction**. ..... freedom in **movement**, we restrict camera
motion ... character, the Sleeper, through **gesture**. Multilayered animations ... The
system **captures audio** and **video** on each client workstation, and a back- .... rating
new **sensing** and display technologies to higher level **media** ...
ieeexplore.ieee.org/iel4/93/13959/00641878.pdf?arnumber... - Similar
by S Agamanolis - 1997 - Cited by 25 - Related articles - All 5 versions

2. **Media** in performance: Interactive spaces for dance, theater ...

An agent is autonomous in the sense that it has mechanisms for **sensing** and .... In
multimedia, performance, and the electronic arts, the designer of the experience and
the ... As we model human **interaction** through computer-based **media**, ... All of
these actions are interpreted and guided by the real-time **gesture** ...
www.research.ibm.com/journal/sj/393/part1/sparacino.html - Similar
by F Sparacino - Cited by 51 - Related articles - All 18 versions

3. [PDF] Documenting Digital Dialogues : Engaging Audience in the ...

File Format: PDF/Adobe Acrobat - View as HTML
of combining the power of **multimedia** content processing and delivery with ....
Examples include the works of George Legrady, such as **Sensing** Speaking ....
capture mode provides an interface for **capturing video** through a USB port, ...
according to their **interactions** with other **media** collectors and the Tangible ...
alumni.media.mit.edu/~mazalek/.../DigitalDialogues-TIDSE03.pdf - Similar
by A Kelliher - Cited by 4 - Related articles - All 10 versions

4. Google Search Engine

Responsive **multimedia** often involves collaboration among people of varying
expertise .... To facilitate spatial **movement**, we used a process developed at the
Media Lab in which we .... The system **captures audio** and **video** on each client

workstation, ... scripted **gesture** recognizer using in-house **sensing** technology. ...
doi.ieeecs.org/portal/web/csdl/abs/html/mags/mu/ ../u4040.htm - Similar
by MIT Stefan

5. Dancing into the Future: Interactive Performances Archive

This data is then used by Max to control **audio** and **video** images in real-time. ..... she
mixed her polished **movement** with equally adept motion **capture**, **video**, ... visuals
and **audio** output, inform each participant of each other's **interaction**, ... **Gesture** and
interactive **multimedia** - Interdisciplinarity and new **media** ...
